About us

ULI an initiative from supp-ly.com, bringing together good design, craftsmanship, and technology.

The founding team have decades of experience in the real estate industry, which includes design and build of custom-made homes with a renowned architectural firm.

With the backing of our in-house materials and services platform [www.supp-ly.com] , we provide access to curated brands, products and craftsmanship which culminates to good design and craftsmanship.

ULI stands for reliability, skill and craftsmanship- so are we!!!

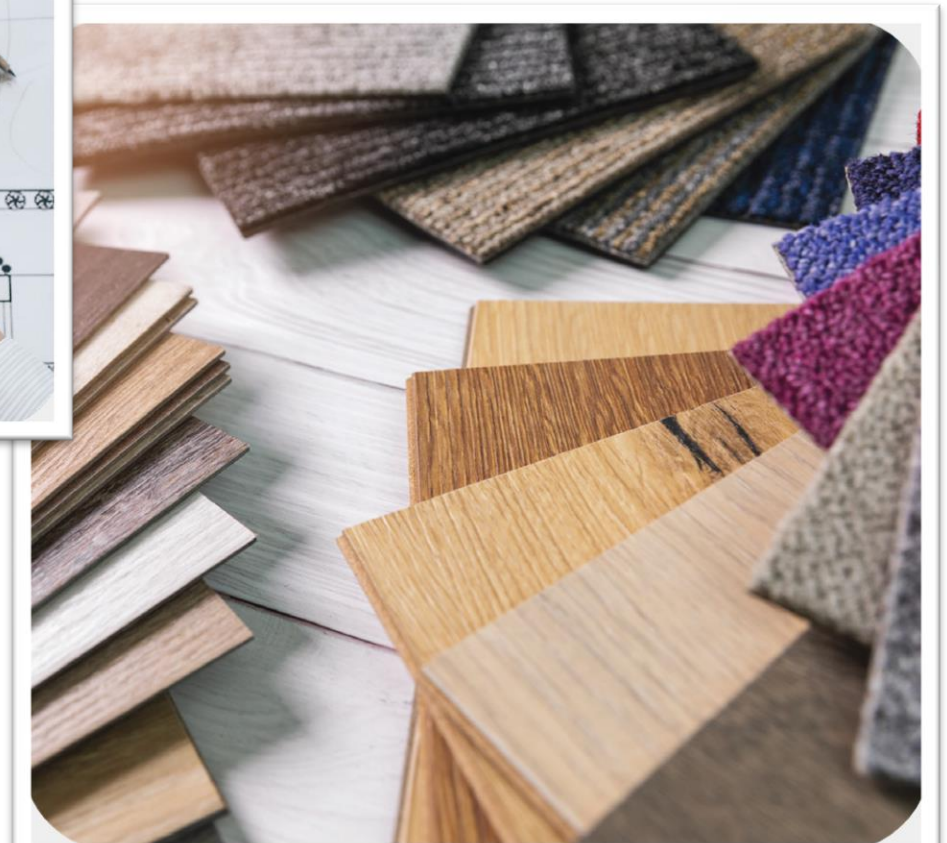

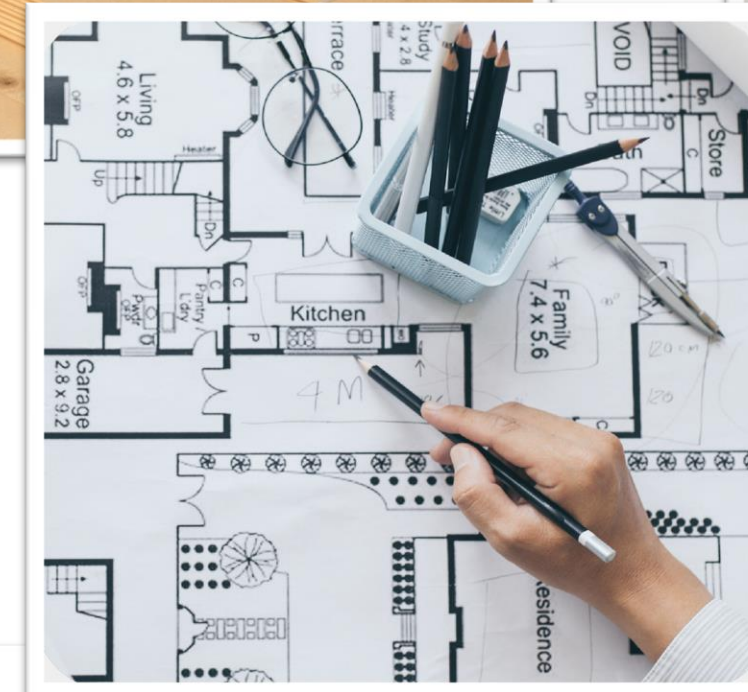

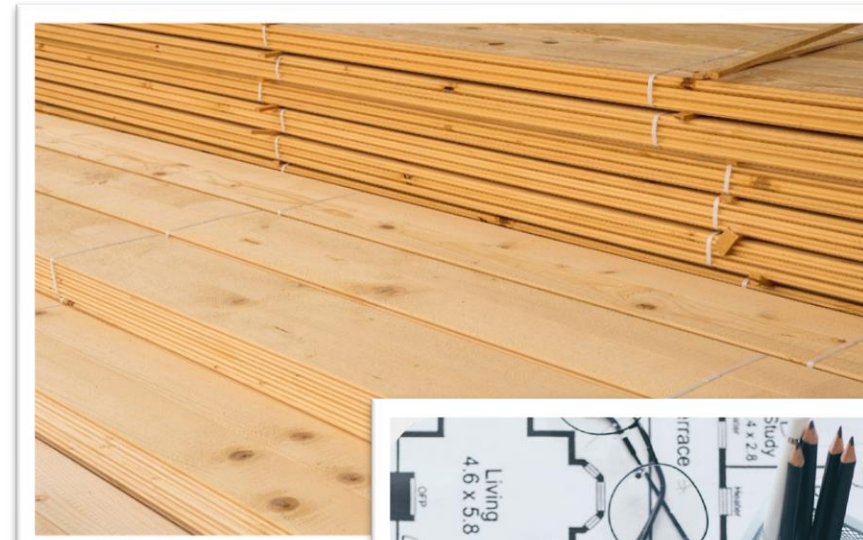

We supply design.

We will sit with you and understand your likes and produce designs to craft your home interiors. This is your home. We're the facilitators.

In our home interiors, the textures, colors, and finishes come together in perfect harmony, creating a space that not only appeals to the senses but also reflects the personality and style of its inhabitants. It's a sanctuary where every detail has been considered, resulting in a living masterpiece that transcends trends and stands the test of time.

Supp-ly.com provides product standardization and transparency in all aspects. We have 20000+ SKUs (Stock Keeping Units, unique items) under a single "roof". We're big on quantity and quality.

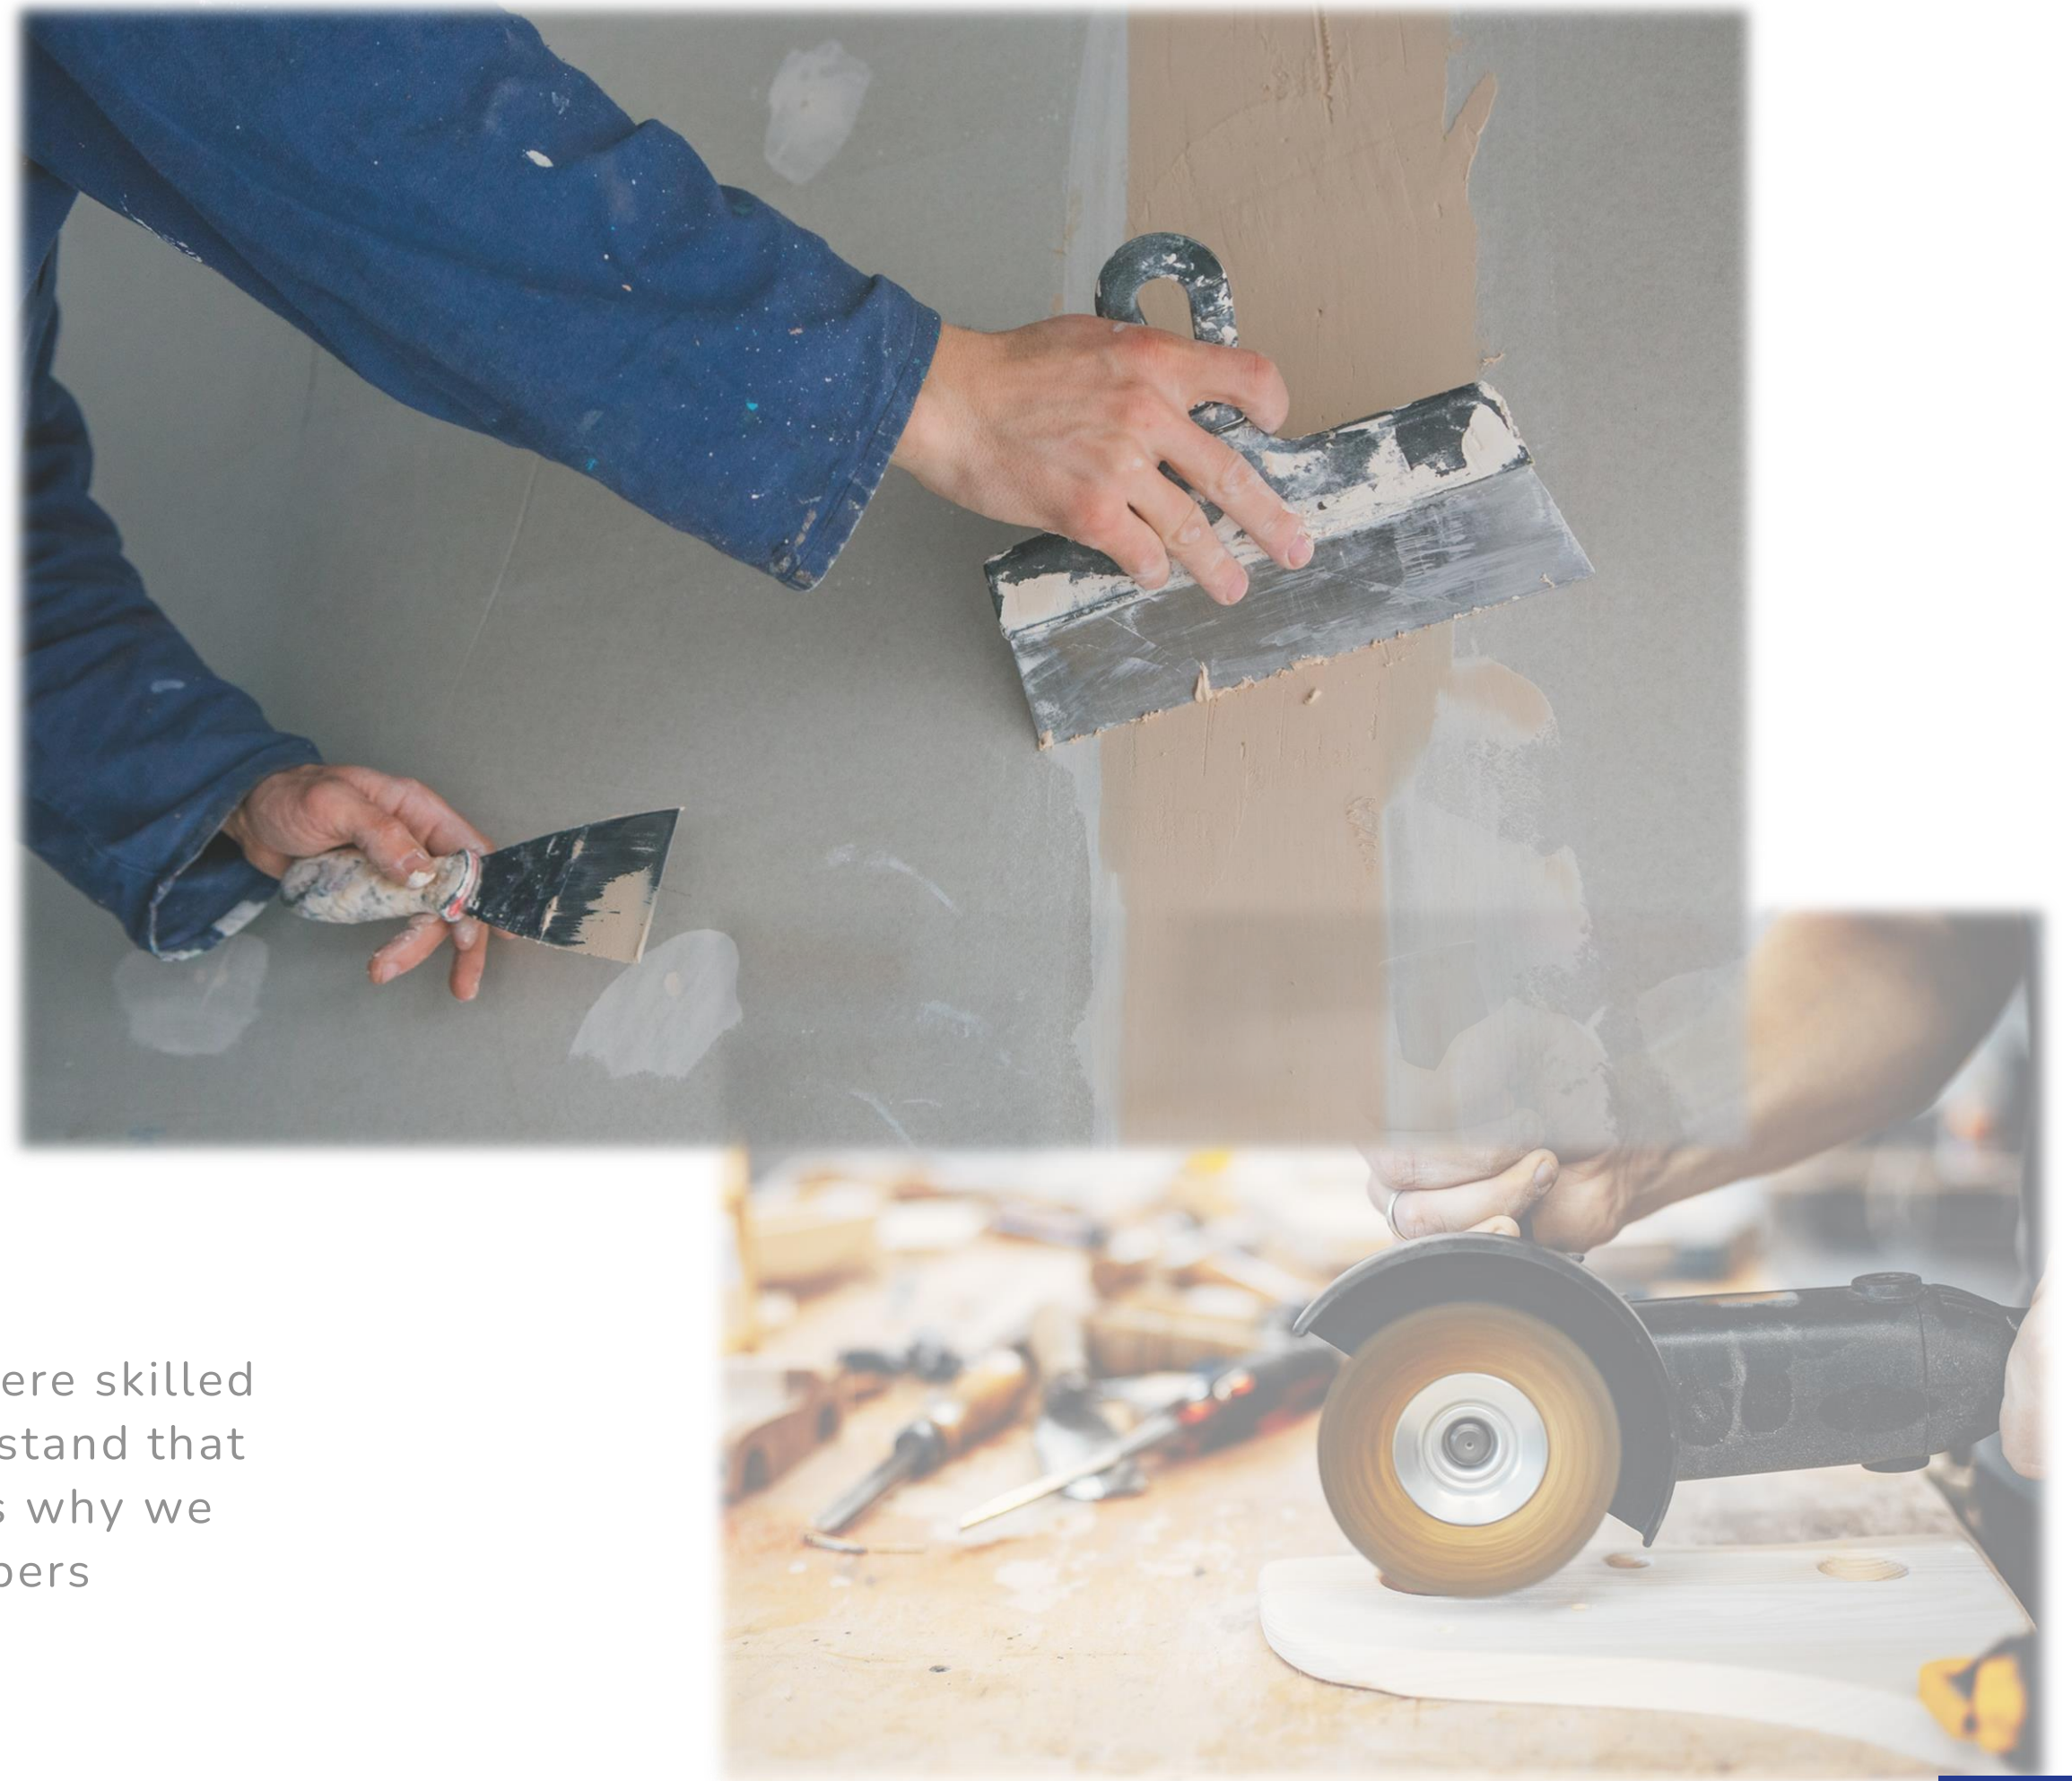

We believe that every individual's vision is distinct, and so we offer a palette of choices as diverse as your imagination. Our platform offers options based on material choices and budget, along with the flexibility to build with or without materials.

We supply craftsmanship.

Craftsmanship is the heartbeat of your home's creation, where skilled hands transform raw materials into works of art. We understand that every nail, every joint, and every connection matters. That's why we meticulously handpick the finest masons, carpenters, plumbers and electricians.

and many more!

We supply trust, reliability

Trust forms the cornerstone of our approach to building your dream home. Our commitment to trust underpins every vendor selection. We curate a network of partners who share our values, ensuring that each vendor is not just a provider, but a collaborator invested in your vision.

We supply your home. **We supply love.**

Your dream home isn't just a structure; it's a sanctuary where memories are born, laughter resonates, and life unfolds. Our commitment is not just to supply a house, but a haven filled with the warmth and love that make it uniquely yours.

We supply care.

Our partnership extends far beyond the final nail and finishing touch. Just as we've been with you throughout the creation of your dream home, we remain steadfast in ensuring its lasting beauty and functionality. We're here to keep your house in good shape and maintain it.

We supply options.
